Nintendo Wii U

Controls & Settings guide

The WiiU Parental Controls allow you to set restrictions for each family member, giving control over what games can be played or downloaded and how your children can search and interact online.

Wii U

What do I need?

You will need access to the Wii U console.

Restrictions you can apply

Step by Step instructions

1. From the Wii U Menu select "Parental Controls" then read the following two messages, tapping "Next" or pressing the A button will dismiss them.
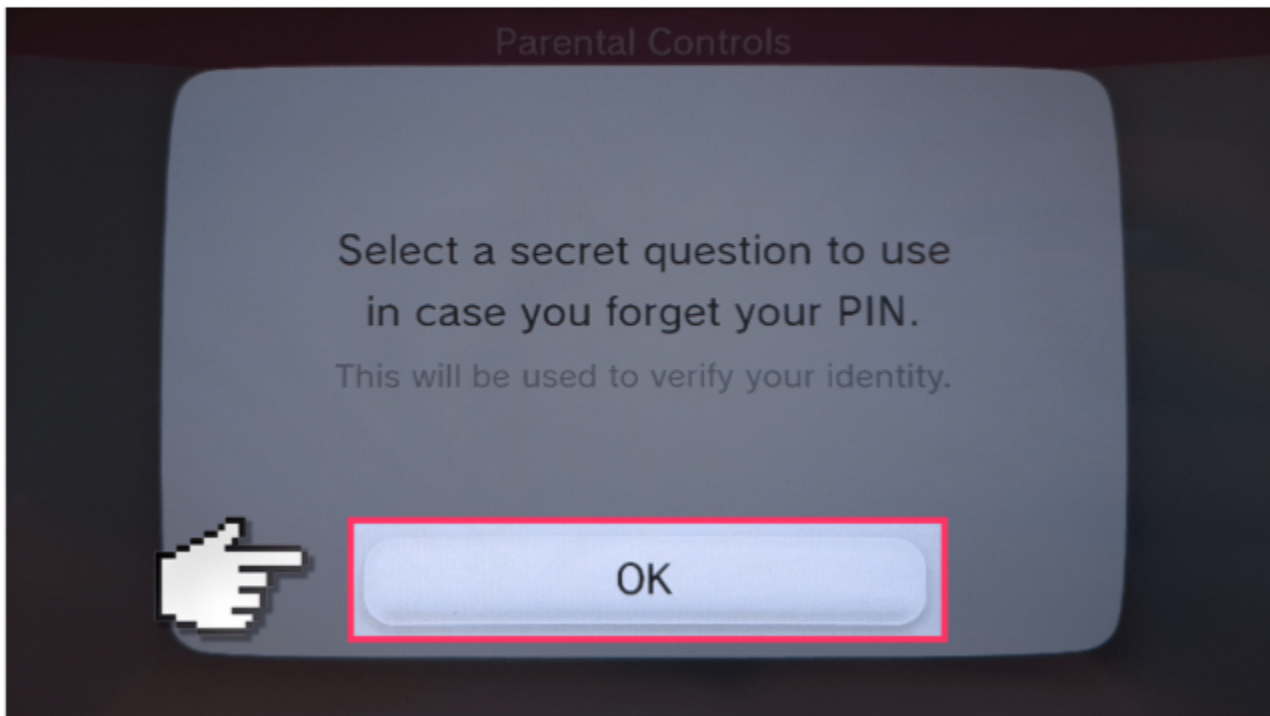

2. **Enter a 4 digit PIN and then tap "OK".**

3. **You will now be asked to select a secret question that will be used to help you recover your PIN should you forget. Tap "OK".**

4. **Select a question and then supply an answer and tap "OK".**

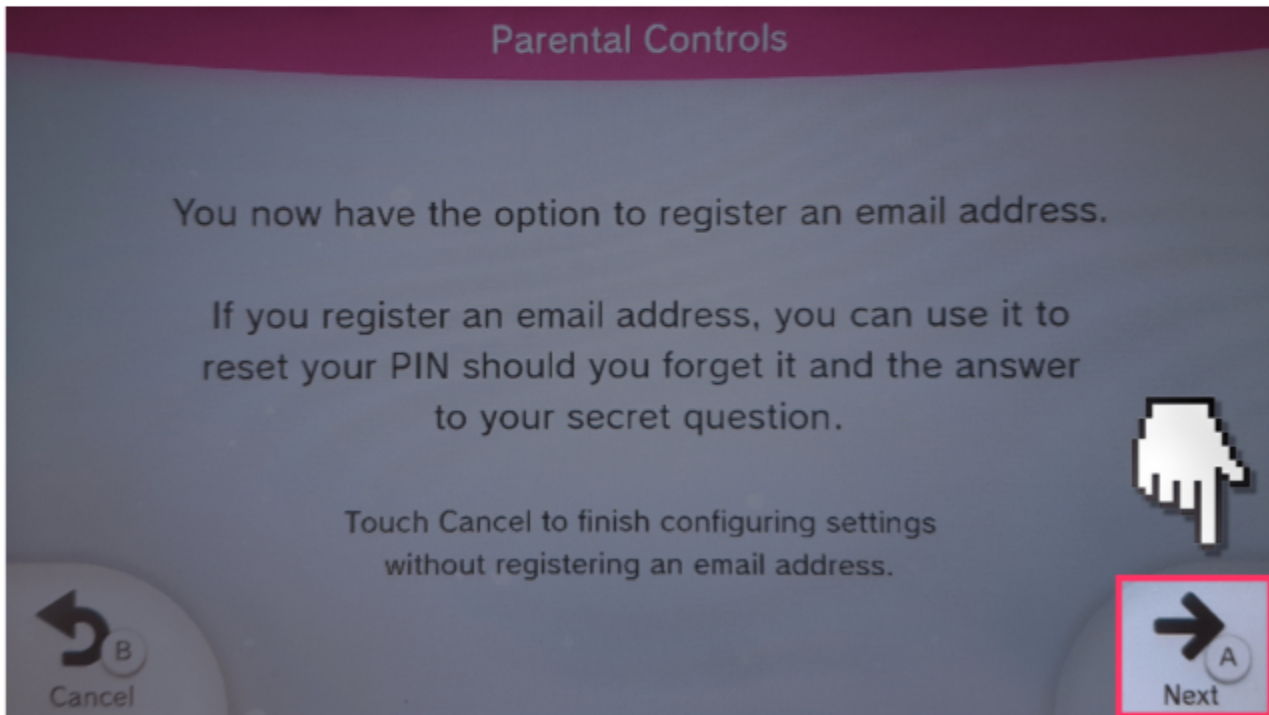

5. **Finally, you will be asked to register an email address. Tap "Next" or press the A button and complete the email registration.**
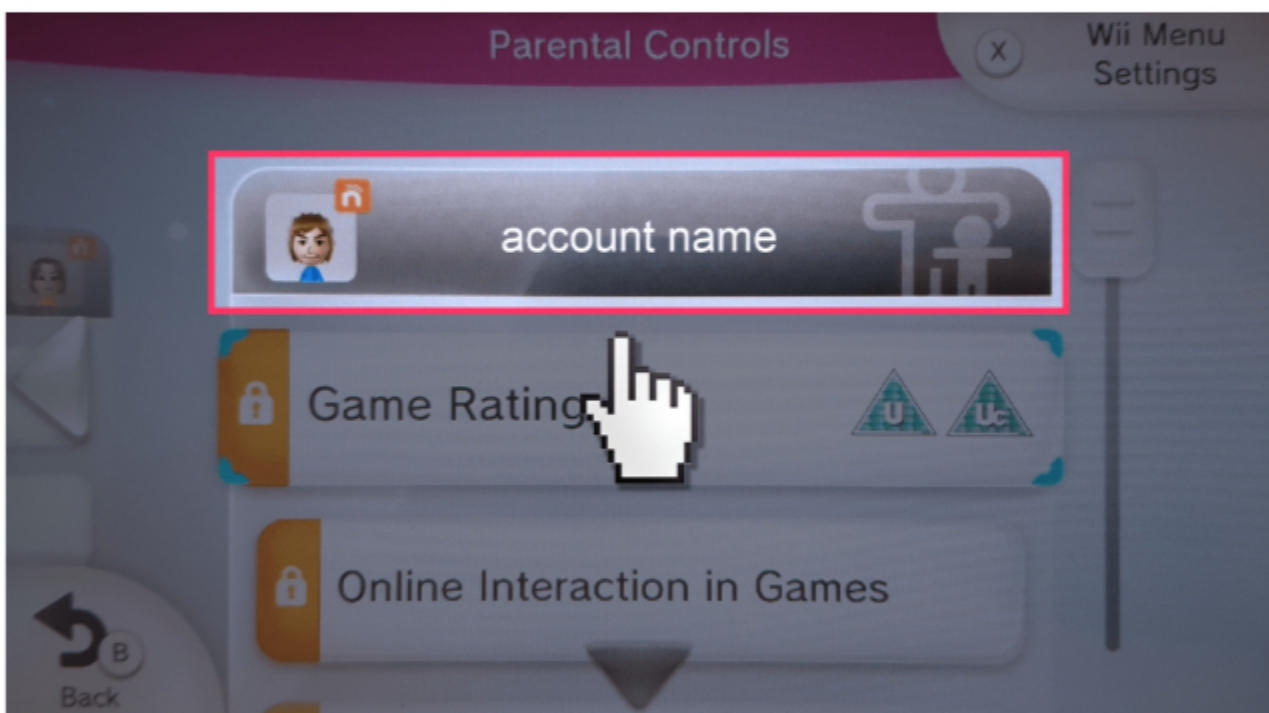

6. **You will now be in the "Parental Controls" section. Use the arrows or left and right on the d-pad to navigate to the user who you want to apply restrictions to.**

Parental Controls

You now have the option to register an email address.

If you register an email address, you can use it to reset your PIN should you forget it and the answer to your secret question.

Touch Cancel to finish configuring settings without registering an email address.
